Your World, My World

Your World, My World allows you to bring four new 'friends' from different parts of the world into the classroom to help lower primary pupils explore aspects of their own lives. Looking at their lives will enable you to bring a global perspective to exploring issues such as 'myself', 'helping out' and 'caring and sharing' which are central to the Citizenship/PSE/PSD curricula.

Let's Eat

What we eat says a lot about who we are and where we come from. The five children in this book have different views on what tastes good, but also have lots in common too: they all go food shopping and help with the cooking, have things they love to eat and things they definitely don't.

Let's Eat is a thought-provoking insight into ways of eating and living around the world.
