

Resources on Geography and Contrasting Localities for Primary Schools

If you would like to order any of the following resources, please contact
Cheshire DEC. *Prices correct at time of printing*

If the World Were a Village

An innovative and colourful book which imagines the world's population as a village of 100 people. Children will be surprised and intrigued by the facts and figures. Also beautifully illustrated, this is a simple yet fascinating way to ignite children's interest in geography.

£6.99 *A&C Black*

Peter's Projection Map

This map shows the world as it really is through using up-to-date technology to provide the correct proportions of our countries and continents.

£9.95 (laminated) *Oxfam*

Watoto; Children from around the World

A comprehensive photo-activity pack for pre-school and early years to start exploring the similarities and differences of the lives from children around the world.

£19.00 *Trocaire*

My Multicultural Atlas

A beautifully illustrated fold out book looking at people in all parts of the world. Covering topics of Geography, Wildlife, Famous Places, Home and Food.

£12.99 *Tango Books*

Primary Geography Handbook

This book gives practical ideas and examples for inspiring and improving the content and method of primary geography. It provides support and guidance to both specialist and non-specialist teachers of geography.

£29.99 *Geographical Association*

Inflatable Globe

A must for every classroom! An excellent resource for teaching about the countries and continents of the world.

£4.95 *Toyway*

Studying Different Places

Provides guidance and support for planning and implementing the study of distant places. Fantastic advice for choosing a locality and associated quality resources.

£9.99 *Geographical Association*

Super Schemes

These are a series of 26 lively and innovative primary geography resources. They include topics such as a village in India, Geography and Culture and Geography and numbers.

£11.99 *Geographical Association*
