

Resources on Food and Farming for Primary and Secondary

If you would like to order any of the following resources, please contact Cheshire DEC. *Prices correct at time of printing*

Food for Thought: Planning

This pack focuses on the issues of food security in the region of Wadia, Ethiopia. By using the activities in the pack pupils will investigate how physical conditions and human factors are linked to food security and famine.

£21.98 *ActionAid*

Our Food, Our World

A great photopack for developing early global citizenship through the theme of food in the lives of six children from around the world. Also explore food on special days and celebrations.

£17.50 *Oxfam*

Around the World Food

In the different countries of the world, people are living differently. This book looks at the various types of food which are eaten all around the world.

£8.99 *Wayland*

Seeds for Life (Video Pack)

This pack focuses on a traditional farming community in rural India and considers the issues which are affecting the community today.

£12.99 *Christian Aid*

The Kids Multicultural Cook Book

Travelling all over the world and meeting kids to share the delicious foods they cook up in their kitchens. Includes exciting and simple recipes from countries all over the world.

£12.99 *Williamson Publishing*

Let's Eat!

A fun and interactive way to explore foods and cultures from around the world. Large full-colour photos bring five children's stories to life- from food production to mealtime traditions.

£6.99 *Oxfam*
