

# Resources on School linking for Primary and Secondary

If you would like to order any of the following resources, please contact  
Cheshire DEC. *Prices correct at time of printing*

## **A Good Practice Guide to Whole School Linking**

This resource uses real linking projects as a basis for comprehensive, practical information for teachers. The guide shares the benefits and challenges of school linking in a clear and well designed step-by-step handbook.

**£25.00** MUNDI Centre for  
*Development Education*

## **Just Linking**

This handbook and DVD offer a practical, tested model for any school wanting to explore global issues by linking with a contrasting school in the UK. Through using the experiences of primary teachers who have gone through the process successfully this guide provides an example course of action to set-up a link and classroom activities to further enhance the relationship.

**£10.00** Leeds Development Education  
Centre

## **One World, One People**

This excellent film is a great introduction to school linking for both staff and learners.

DFID

## **Toolkit for Linking: Opportunities and Challenges**

This is a thorough guide to North-South community linking for schools, community groups, local authorities, faith-based and ethnic minority groups. It raises the key questions groups must address around linking which helps to ensure linking is done for the benefit of both parties and shows how to improve the educational value of linking.

**£15.00** UKOWLA

## **Partners in Learning**

This easy-to-use teachers' handbook addresses the big questions and practical issues of global school linking. With an emphasis on good global citizenship the resource explores the experiences of schools around the world involved in school partnerships.

**£27.00** DFID *Global School Partnerships*
